Capability Statement

20+ Years Experience	$20M+ Single Project Value	6 Sectors	MA CS License	MBE Cert In Progress

COMPANY OVERVIEW

Sattva Technologies LLC (est. 2019, Seekonk, MA) eliminates project delays by ensuring 100% alignment between design drawings, building codes, and client specs — delivering projects that pass inspection on the first attempt. We bridge MEP engineering design with construction execution across 20+ years and 6 industry sectors.
